

# COVID-19 Room Hirer Information

As per government regulations, the Vermont South Neighbourhood House has a COVID Safe Plan in place to ensure the safety of all staff, volunteers, participants and guests. In line with this plan, the following requirements must be adhered to when hiring a room/s at the Vermont South Neighbourhood House:

CIRCUMSTANCE	PROCEDURES
Indoor capacity	We are operating with a 54-person indoor capacity to support appropriate physical distancing.
Vaccination Status	All Victorians are encouraged to stay up to date with their COVID vaccinations.
Physical distancing	Physical distancing of 1.5 metres is encouraged.
Ventilation	It is recommended that some windows and/or doors remain open to aid good ventilation.
Hand sanitiser	Hand sanitiser will be available at the entrance to each room.
Cleaning	Please ensure the room is left clean and tidy and that high touch services are disinfected.
Mask wearing	The wearing of masks is subject to Government advice. Please conform to the advice that is current at the time of your booking. The wearing of good quality masks in indoor/crowded setting is currently still encouraged.

It is recommended that a person **should not** attend an event at the House if they have tested positive in the **five days prior to the event** and/or still have symptoms. It is also recommended to wear a face mask for at least 7 days after testing positive.
