Semester 2 2025

Welcome to our Program Guide for Semester 2 (July to December 2025).

We hope it will allow you to plan ahead and come along to join us at one or more of our activities.

As always, we welcome our current community members but love it when we meet those new to the area or new to our House.

We have many things available for you to participate in such as social activities, learning a new skill or begin a new journey of discovery. You can become involved as a volunteer, exchange books in our Street Library, join in on community projects and events— we have something to suit everyone.

Please visit our website **www.vsnh.org.au** for information about all of our courses and activities.

As always, should you have any questions about our courses, venue hire, membership or just want to have a chat, please feel free to contact us via email, phone or in person.

There is never a better time to start something new.

Come and say hello!
